SALVAGE DRUMS & OVERPACKS

POLY-OVERPACK®95 SALVAGE DRUM

- Our Poly-Overpack 95 meets Group 1 packaging standards and salvage drum regulations (unlike competitive overpacks).
- The Poly-Overpack 95 safely contains a wide range of hazardous materials—including acids, corrosives and damaged parts - in 55-gallon drums.
- Tight, secure and leak-free container closing is simple: just place any long object, like a wooden two-by-four, in the handy lid slots and turn it to screw the lid down tightly.
- Meets performance-oriented packaging requirements of U.S. DOT and UN regulations.

Can be moved with standard material handling equipment.

Nestable design for efficient storage.

Drum truck portable.

Drum Lifter lifts and lowers 55-gallon drums with ease! Safely lifts steel drums up to 1,000 lbs. and fits both open- and closed-head designs. Tension spring adapts to diameter of drum. (Product No. 3100-BU)
