DISPENSING

POLY-SPILL CART™

- Transporting 55-gallon drums, 5-gallon pails, paint cans and other materials around your plant has never been easier. Poly-Spillcart eliminates the risk of spills during transport with its 57-gallon sump capacity.
- Poly-Spillcart's caster wheels let you move around freely, while its ergonomically-designed handle makes manoeuvring a breeze.
- A tray for tool storage keeps tools clean and handy. Structural foam grate removes for easy cleaning and drain plug lets you drain the sump without effort.
- Poly-Spillcart lets you move and store batteries around your plant, eliminating the risk of acid leak.**

POLY-SPILLCART™ ATC

Need an even more rugged spill cart for outdoor terrain?

- Poly-Spillcart is available as an All-Terrain Cart or can be converted into one with our conversion kit.
- The Poly-Spillcart ATC's heavy-duty pneumatic rubber wheels and durable axle are designed to handle smoothly—even in the most demanding environments. Wheel brakes not available this model.

Rear casters pivot 360° to let you move around freely; each with wheel brakes for securing position.

Drain plug lets you empty sump easily.

Large internal sump holds incidental spills.

Built-in tool tray keeps tools and other small objects clean and handy.
